FRONTERA PINOT GRIS 2016

WINEORBIT.CO.NZ

Sam Kim, March 2017

4 Stars & 86 Points

It is gently lifted on the nose showing rockmelon, apple and citrus characters with a hint of spicy notes. The palate is juicy and vibrant, the displays attractive fruit flavours combined with silky texture and refreshing acidity. A friendly, well-priced pinot gris for everyday drinking. At its best: now to 2018.
