BEHIND THE SCENES

Florent Gaillard, specializes in the rose wines of Provence. He joined the estate team in June 2011, bringing with him 18 years of experience in the region, including that of overall Manager of Operations at the prestigious Domaine Ott. Florent Gaillard embraces the concept of "responsible, sustainable agriculture which respects the terrior." He feels that "the most important stage of the wine making process takes place in the vineyard," - Where he is supported by Jean-Pierre Loubet-Malet, the vineyard manager for the last 6 years. In the winery, his work consist of "bringing out the full character of the grapes in the most natural way possible." Highlighting the quality of the Cavalier product, Florent Gaillard now hopes to "discover the subtle nuances of this terrior and to produce gourmet wines which combine elegance, flavor and great body."
