

# WINE MEN OF GOTHAM

## Shiraz 2017

Who are The Wine Men of Gotham?

Are they odd little gentlemen from the village of Gotham in England?

Are they strange fellows from New York or are they crazy Australian Winemakers?

### Tasting Note

This Shiraz displays flavours of ripe plum and vanilla with a subtle savoury finish. With lifted floral aromas and a smooth finish, this elegant wine will complement an array of foods.

### Vintage 2017

A season that produced very good red wine quality thanks to some spring rainfall and long, cool ripening periods.
