Riverbench and benchland associated soils.

AGEING

Aged in American oak barrels during 9 months.

Beautiful and attractive dark and deep purple.

NOSE

Its elegant and fresh fruit -black cherries and ripe blackberries- is very well integrated with the wood. Spices, cedar and chocolate notes, plus a lightly toasted hint.

PALATE

Full bodied, round, strikes a nice balance between fruit and the toasted notes from the wood. Soft and sweet tannins finishing with lively acidity balanced the intense range of flavours.

FOOD PAIRING

Perfect with spicy foods, red meats or lamb based dishes.
