Complex, engaging and soothing, the wine displays fragrant aromas of cassis, plum, leather, dark mushroom and toasted almond, followed by a concentrated palate that is multi-layered and delectable. It is silky and flowing with excellent density and power, brilliantly structured by fine, chalky tannins. A gorgeous Cru Bourgeois from Haut-Medoc. At its best: now to 2021.

In the south of the Médoc, close to Bordeaux, this chateau has produced a ripe fruity wine. It has a fine balance between tannins and juicy black fruits. The blend, with its equal balance between Cabernet Sauvignon and Merlot, gives richness along with firm structure. Drink from 2019.
