VAVASOUR

NEW ZEALAND

2017 RIESLING

It's not just the unyielding winds from the west or the imposing presence of Tapuae-O-Uenuku, the towering peak that looms over Marlborough's Awatere Valley. It's not just the deep, rocky soils formed millions of years ago by relentless glaciers that molded the landscape. It's not just the arid climate marked by sundrenched days and cold nights. It's the combination of all those things together that shape the inimitable character, flavors and textures of Vavasour wines.

REGION

The Awatere Valley is a sub-appellation within Marlborough. It has deep Greywacke soils compacted over millions of years by ancient glaciers. Huge boulders, carried down the Awatere River, are strewn across the valley floor. River shingles, gravels and silts help bind these large rocks. The vineyards are partially protected from the prevailing north-westerly winds by a broad range of mountain peaks. Awatere valley wines are particularly prized for their intense aromatics, ripe flavors, dynamic textures and concentration.

VINEYARD

Vavasour's 85 hectare (196-acre) estate vineyard is located at one of the marquee sites for grapes in the Awatere Valley. The climate here is noteworthy for its wide diurnal temperature swings—an attribute that contributes to strong personality and incredible balance in the wines. The vineyard's soils are low in fertility and are comprised of stones and pebbles mixed with clay and loam. The rainfall ranges from 279-406 millimeters (11-16 inches) a year, very arid by any measurement.

WINEMAKING

The fruit for our 2017 Riesling was harvested from our estate vineyard in the Awatere Valley. A combination of canopy and yield management ensured great concentration and flavour in the fruit. The fruit for our Riesling was fermented cool in stainless steel tanks with selected yeast strains and spent 6 months on the lees, allowing us to retain the vibrant fruit flavours of the variety. As a result, this wine has a lovely mix of freshness, richness and complexity.

WINE NOTES

The cool weather of the Awatere Valley brings out bright floral and citrus in our 2017 Riesling. Crisp aromas of fresh squeezed lime and citrus blossoms highlight the nose. The palate is a beautiful balance between a lively citrus acidity and a lingering soft minerality.
