RESERVE PINOT GRIS 2014

WINE ORBIT

Sam Kim, October 2015

4.5 Stars & 91 Points

It is beautifully complex and engaging on the nose displaying tropical fruit, poached pear, mixed spice and exotic floral. The palate offers succulent and rounded mouthfeel with excellent mid palate weight and a hint of sweetness, brilliantly balanced by the bright acidity. Long and stylish. Just what you'd expect from a quality Alsace pinot gris. At its best: now to 2022.
