VINTAGE CONDITIONS

The fruit for this wine was sourced from our vineyards in South Eastern Australia. The climate is hot with high evaporation rates and generally low rainfall, making irrigation essential. The climate is also continental, resulting in long sunny days and noticeably cooler nights. Long sunshine hours ensure fruit ripens fully and low relative humidity results in little incidence of disease.

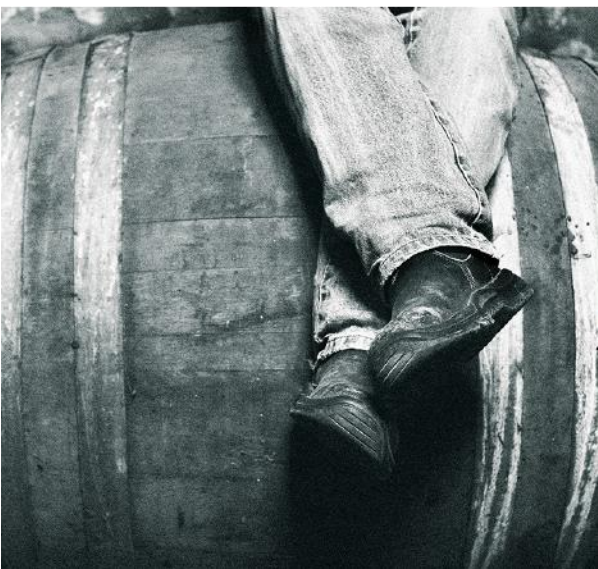

WINEMAKING

The Moscato style of wine is light and fresh with natural fruit sweetness. It features a wonderful mix of citrus and musk flavours. Another highlight is the slight spritz that lifts the wine and enhances the crisp refreshing finish. Moscato is one of the fastest growing wine styles as it increases in popularity. It is lower in alcohol which is achieved by stopping the ferment which also results in preserving some of the natural grape sugars. Picking the grapes in the cool of the night helps ensure the wine stays lively and fresh. Retaining a slight spritz adds an extra dimension and ensures the wine finishes clean and crisp.

The fruit for this wine was crushed, de-stemmed and immediately clarified. Fermentation followed at cooler temperature to preserve varietal fruit character. The fermentation was stopped to retain natural sweetness.

TASTING NOTES

The McGuigan Black Label Moscato is a sweet, refreshing Moscato with flavours of peach, musk, and lemon blossom. The sweet finish is framed with crisp acidity, a touch of spritz and a hint of phenolic texture. This wine presents rich floral notes combined with musk, citrus and bubble gum. Moscato is the perfect wine as an aperitif or makes a wonderful combination with fresh fruit, summer salads or Thai food.
