THE VINTAGE

The miracles of an Indian Summer...

The month of June saw ideal conditions for ripening although July and August were much more dreary. September, on the other hand, brought a glorious and endless Indian Summer. These weather conditions, much appreciated in Bordeaux, laid the foundations for this classic and highly promising vintage. The harvesting lasted 5 long weeks as we harvested each parcel at optimum ripeness.

This vintage gave powerful, generous and very expressive Merlots, distinctive and elegant Cabernet Sauvignons and exceptionally complex Cabernet Francs and Petit Verdots. The wines are powerful, voluptuous, rich and well-balanced.

GRAPE VARIETIES

TASTING NOTES

Complex nose of spice and red fruits. Long palate with smooth, elegant tannins and notes of black fruits and ripe, juicy strawberries.
