SAUVIGNON BLANC 2017

BOBCAMPBELL.NZ

Bob Campbell MW, April 2018

4 Stars & 91 Points

Moderately weighty sauvignon blanc with tangy passionfruit, nectarine and green capsicum flavours. The wine develops a pleasing sweet-and-sour tension, which gives it energy. Drink 2018 to 2021.

CAMDOUGLASMS.COM

Cameron Douglas MS, June 2018

89 Points

Ripe, lush and fruity bouquet with sweet grapefruit, quince and tropical fruit salad aromas, enticingly powerful and correct. Dry, dances on the tongue with a refreshing acidity then flavours that mirror the bouquet plus a soft fresh herb moment. Drinking perfectly now and through 2019.

Raymond Chan, April 2018

4 Stars & 17.5- / 20 Points

Brilliant pale straw colour with light lemon-green hues, lighter on the edge. The nose is softly fresh with aromas of cut-grass and nettles, along with gooseberry fruit and subtle notes of tropical fruits and lantana, all lifted by fragrant florals and chalky mineral elements. Dry to taste and medium-bodied, the palate is elegant in presentation with intense and penetrating flavours of nettles, cut-grass, gooseberries and tropical fruits, entwines with florals, herbs and minerals. The palate flows with good energy and drive along a fine-textured line with crisp acidity lending zestiness. The flavours carry through to a lingering finish of nettles, herbs and minerals. This is an elegant, intensely flavoured Sauvignon Blanc with nettle, herb, gooseberry and tropical fruit flavours with mineral elements on a fine-textured palate. Serve as an aperitif and with seafood over the next 2 years. North Canterbury fruit cool-fermented in stainless-steel to 13.5% alc. and dryness, the wine aged on lees.
