2016 BY.OTT CÔTES DE PROVENCE ROSÉ
CÔTES DE PROVENCE

Domaines Ott has been pioneering prestige rosé wines since 1912. Founded in 1896 by Marcel Ott, the wine estates of Domaines Ott were acquired by Louis Roederer in 2004. Descendants of the founder carry on the heritage of producing some of the world's most prestigious wines from the French Riviera. BY.OTT is a new wine produced with all the savoir-faire of the Domaines Ott team in the newly constructed cellar of Château de Selle. It is a refined and elegant wine for any rosé enthusiast. The blends originate from select vineyards in Cotes de Provence that have been chosen to ensure that the wine is characterized by fruit and freshness with added finesse and complexity.

Winemaking

BY.OTT blends are sourced from Château de Selle and Clos Mireille, as well as two additional trusted growers. The wine is then made under the strict supervision of cousins Jean-Francois Ott and Christian Ott, the fourth generation of winemakers. The quality of the wine is perfectly homogenous and consistent, from the first to last bottling. All the wine-making processes are fully controlled - from blending to storage - to ensure that the highest quality standards are maintained.
