

GOLDWATER

2016 PINOT NOIR

WAIRAU VALLEY, MARLBOROUGH

A NEW ZEALAND WINE PIONEER

From the distant silhouetted mountains behind us to the indigo blue ocean before us, the Marlborough countryside is world famous and undeniably romantic. Our home, the celebrated Wairau Valley, is a place of wistful beauty and extraordinary terroir. Our history is rich and colourful. Goldwater was founded in 1978, making us among the oldest wine producers in New Zealand. For more than three decades our talented viticultural and winemaking team has worked diligently to create wines that mirror the character and personality of our unique coastal region.

OUR HOME - WAIRAU VALLEY

There is a windswept elegance to Marlborough's famed Wairau Valley. It is both the heart of the district and home to some of the country's most famous wines. The region takes its name from the Wairau River, which flows from the alpine ranges in the west to the ocean at Cloudy Bay. Wines from the Wairau Valley are rich, elegant, generous and concentrated. Goldwater's wines are considered by many aficionados to be among the finest of the appellation.

OUR VINEYARDS - GREAT SOILS, MILD CLIMATE & SUSTAINABLE FARMING

Our growing season in the Wairau Valley is defined by moderate temperatures, chilly nights and little rainfall. The combination of low-fertility soils and a cool climate naturally restricts yields and intensifies the fruit flavours in our wines. We practice sustainable viticultural methods to ensure the long-term viability of our land and to capture the authenticity of our region. All of our vineyards are carefully managed with a focus on quality rather than quantity.

OUR WINEMAKING - PRESERVING THE FLAVOURS OF THE LAND

We gently harvested during the cool morning hours to retain the bright, pristine, characteristics of the grapes. With the fruit arriving at our winery possessing such extraordinary flavours and texture, our primary task is to preserve and enhance those elements.

Our Pinot Noir shows the influence of our unique climate and complex soils. After harvesting, grapes are cold-soaked for six days. We use traditional hand-plunging techniques during fermentation to ensure vibrant colour and fine tannins. The wine is then aged in French oak barriques for ten months. The aromas and flavours are packed with dark cherry, Black Doris plum and savoury spice. The palate delivers silky smooth tannins with a lengthy finish.

COMPOSITION: 100% Pinot Noir

AVA: Marlborough

ALCOHOL: 13.5%

AGING: 10 months in French oak, 25% new

pH: 3.63

TA: 5.4

RS: .87 g/L
